

Navy Getaways – RV Park Appearance Policy

- Navy Getaways properties are designed to offer a welcoming recreational experience to all customers. The campgrounds are maintained to deliver quality stays to all eligible patrons throughout their stay. Patronage courtesy and participation are vital in ensuring the grounds and support facilities are well-maintained for the park long term sustainability and perseverance for other patrons and future stays.
- Recreational vehicles that occupy Navy Getaways properties are required to be properly maintained operationally and in physical appearance. All RVs must be roadworthy, carry current registration, license tags or stickers and with exterior presentation commensurate with the overall appearance of the campground. RVs not in compliance, not well-maintained or with visual exterior conditions that distract from the campground appearance are not authorized within Navy Getaways. In such instances, park access will be denied or a notice to vacate the campgrounds will be issued. This includes RVs permitted base access during afterhours check-in.
- Authorized Recreational Vehicles (RVs) are defined as roadworthy a motor vehicle or trailer which includes living quarters designed for temporary accommodation. Types of RVs include motorhomes, campervans, caravans (also known as travel trailers and camper trailers), fifth-wheel trailers, popup campers and truck campers.
- After market modifications to vehicles not initially manufactured for use as a recreational or individually constructed, modified or altered recreational vehicles will not be authorized at Navy Getaways RV Parks if the vehicle is not in compliance with the campground standards.
- All tires (wheels) should remain on the recreational vehicles; temporary removal for repair not to exceed one day is acceptable.
- For environmental reasons, no mechanical maintenance (including oil changes) or significant repair work may be performed, and recreational vehicles may not be washed in the recreational vehicle camp.
- No freestanding storage units, porches, fencing or attached structures are authorized within a designated RV site.
- All RVs must have the ability to be moved or vacate the park within 1 hour. Trucks, vans, SUVs, large vehicles, buses, not initially manufactured as a recreational vehicle are not authorized.
- Gardens, clothes lines, personal swimming pools are not authorized.
- Marketing, signage or solicitation of personal business is not authorized.
- In cases where access is not permitted or reservations are terminated a refund of deposits for all future reserved dates are returned to the customer less any administrative fees.
- Expended coals from grills or fire pits should be disposed of in the proper fire canister, where applicable.
- Customers will pick-up after use of community centers, kitchens, bath houses, gazebos and other support facilities.
- The campground Manager will strictly adhere to the program appearance standards and polices and is the ultimate final decisional authority in all campground related matters.
